It's time to become a memory super-hero! Remember better than you ever thought! You're probably looking at this because you're (1) Taking exams soon, (2) Starting a new course, whether at school, University or at work, or (3) Learning a new subject or skill for the enjoyment of it. It's a very strange world we live in, where we spend our lives being given huge amounts of information to remember but no-one teaches us the best way to learn. It's as if the \*one\* thing that would enable us to do better in our exams, and more easily, is deliberately left off every curriculum so that we're left to try and cram information into our heads as best we can! Well, in this book I'm going to help you to use your mind to remember what you need to remember in the most powerful and effective way: Boost your grades... Pass your exams... Move forward with your life confidently... Know that you can learn and retain information... Believe that you can achieve exam success. You'll learn how to Take notes, Memorize and Revise in the most powerful and effective way by using the Turbo-Charge Your Memory system. For adult learners.
