**Tus hijos adolescentes (Hacer Familia) (Spanish Edition)** Gerardo Castillo Ceballos

El autor centra su estudio en los cambios que están experimentando los adolescentes en una sociedad súper tecnificada, permisiva y consumista. La subcultura propia de este tipo de sociedad favorece nuevas actitudes en los adolescentes de hoy, como por ejemplo, el pasotismo, la mitificación de la conducta espontánea, la conducta en función del capricho, las múltiples formas de evasión y la fascinación ante modas y novedades. "Tus hijos adolescentes" ofrece a los padres orientaciones certeras para conocer y educar mejor a sus hijos e hijas adolescentes.
