Essentials of Millon Inventories Assessment (Essentials of Psychological Assessment) Stephen Strack
This text provides mental health professionals and students with state-of-the-art practical and interpretative guides for each of the Millon personality tests. This book permits "one stop shopping" for anyone who wants to learn how to administer, interpret and report on any of the six Millon personality measures. It includes vital information about each of the six Millon tests-including information on psychometric characteristics, special populations, assets-limitations and reliability-validity. Written in an engaging easy-reference style, with a foreword by Theodore Millon, it uses call-out boxes, bullet points, icons and other reader-friendly design elements throughout.
