## **Maha-bharata: The Epic of Ancient India** Anonymous

The scene of the Epic is the ancient kingdom of the Kurus which flourished along the upper course of the Ganges; and the historical fact on which the Epic is based is a great war which took place between the Kurus and a neighbouring tribe, the Panchalas, in the thirteenth or fourteenth century before Christ. According to the Epic, Pandu and Dhrita-rashtra, who was born blind, were brothers. Pandu died early, and Dhrita-rashtra became king of the Kurus, and brought up the five sons of Pandu along with his hundred sons. Yudhishtir, the eldest son of Pandu, was a man of truth and piety; Bhima, the second, was a stalwart fighter; and Arjun, the third son, distinguished himself above all the other princes in arms. The two youngest brothers, Nakula and Sahadeva, were twins. Duryodhan was the eldest son of Dhrita-rashtra and was jealous of his cousins, the sons of Pandu. A tournament was held, and in the course of the day a warrior named Karna, of unknown origin, appeared on the scene and proved himself a worthy rival of Arjun. The rivalry between Arjun and Karna is the leading thought of the Epic, as the rivalry between Achilles and Hector is the leading thought of the Iliad.
