Business owners who are new to being coached and having a plan always have a lot in common in the way they operate and struggle to find focus. This book is a collaboration of three coaches who have worked directly with business owners in the last several years assisting them with putting their goals on paper and creating a lasting impact on the growth of their businesses. This book is meant to serve as a guide to assist you in forming an operational plan for your company. A specifically targeted, goal oriented plan that both engages and inspires you—something you can compile all on one sheet of paper to run your weekly schedule based on your future annual and 90 day goals. Once your focus and a clear plan is set in place with your team, attaining the results you want will happen much quicker than it has in the past for your business.
