A myriad of exciting opportunities for collaboration and networking await you! This guide shows you how to identify and optimize partnerships that benefit your library media center and help you build a true learning community. In addition to theoretical foundations of collaboration and learning, hands-on guidance is given for teaming up with school members, families, universities, libraries, community agencies, professional organizations, and businesses. A valuable professional reference for school librarians, administrators, teachers, and anyone seeking the skills and intellectual background to nurture a culture of lifelong learning and assume the lead in taking the library media center to the next level.
