The Quest For Hermes Trismegistus Gary Lachman

From the sands of Alexandria via the Renaissance palaces of the Medicis, to our own times, this spiritual adventure story traces the profound influence of Hermes Trismegistus -- the 'thrice-great one', as he was often called -- on the western mind. For centuries his name ranked among the most illustrious of the ancient world. Considered by some a contemporary of Moses and a forerunner of Christ, this almost mythical figure arose in fourth century BC Alexandria, from a fusion of the Egyptian god Thoth and the Greek god Hermes. Master of magic, writing, science, and philosophy, Hermes was thought to have walked with gods and be the source of the divine wisdom granted to man at the dawn of time. Gary Lachman has written many books exploring ancient traditions for the modern mind. In *The Quest for Hermes Trismegistus*, he brings to life the mysterious character of this great spiritual guide, exposing the many theories and stories surrounding him, and revitalizing his teachings for the modern world. Through centuries of wars, conquests and religious persecutions, the fragile pages of the teachings of Hermes Trismegistus have still survived. This is a book for all thinkers and enquirers who want to recover that lost knowledge and awaken a shift in human consciousness.

Book *The Quest For Hermes Trismegistus* has simple shape but you know: it has great and massive function for you. You can appearance the enormous world by available and read a guide. So it is very wonderful.

William McClanahan:

The Quest For Hermes Trismegistus can be one of your nice books that are good idea. We all recommend that straight away because this e-book has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort that will put every word into enjoyment arrangement in writing *The Quest For Hermes Trismegistus* but doesn't forget the main level, giving the reader the hottest and based confirm resource information that maybe you can be among it. This great information could drawn you into brand new stage of crucial pondering.

Ruth Goodrich:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *The Quest For Hermes Trismegistus* can make you experience more interested to read.
