## **The Stakes: America And The Middle East** Shibley Telhami

Could the United States defeat Al-Qaeda but still lose the broader war on terrorism? In *The Stakes: America and the Middle East*, Shibley Telhami, one of America's most in-demand commentators on the Middle East, provides a concise and penetrating analysis that explains Arab and Muslim attitudes toward the United States and shows why there is much reason for concern. In an insightful, passionate, yet balanced analysis, Telhami provides new perspectives on the collapse of Palestinian-Israeli negotiations and the attending escalation of violence. He shows why the Arab-Israeli conflict remains central to the war on terrorism and to international stability, and considers American policy toward Iraq and the Persian Gulf. He demonstrates the need for political change in the region's oil states and suggests how best to achieve it. *The Stakes* provides a well-reasoned, calm analysis that will be essential reading for anyone who wonders where America should go from here, amid the dangers and opportunities in the ever-volatile Middle East.
