**Jean Jacques Rousseau y el Republicanismo: Ideas Políticas (Spanish Edition)** Maibort Petit

Documento del año 2009 en el tema Política - Filosofía política e historia de las ideas

, Universidad Central de Venezuela (Estudios Políticos), Materia: Ciencias Políticas, Idioma: Español,

Resumen: El presente ensayo tiene como premisa fundamental establecer los elementos claves que permiten entender la visión de republicanismo expresada por Juan Jacobo Rousseau. En ese sentido, pretendemos analizar los principales conceptos que caracterizan la tradición republicana de Rousseau:

Entender a Rousseau es una tarea harto difícil por las múltiples contradicciones que el escritor ginebrino expresa en su abundante producción literaria. Rousseau, sin duda fue un republicano, que le dio un significación a los conceptos de: ciudadano, la ley, la patria, patriotismo, la igualdad y libertad civil. Este autor contractualista va a nutrirse de los intelectuales de su tiempo, y fijará su atención a las formas de organización políticas de la antigua Grecia, las pequeñas ciudades-estados, en las cuales ideará la la mejor forma de Estado. A su juicio, sólo en los pequeños estados puede lograrse un buen gobierno, conformado por ciudadanos libres, comprometidos con lo público y caracterizados por el amor a la patria y por un compromiso intrínseco con la búsqueda del bien común. Rousseau se fijará en las antiguas instituciones griegas como las Asambleas y estudiará con gran entusiasmo a Platón y Aristóteles.

Rousseau estudiará y admirará a la República romana, en la que se inspira para hacer algunos de sus planteamientos. Muchos de los cuales van a lucir estafalorios en su tiempo. El republicanismo nos lleva a la idea de libertad y de ciudadanía y Rousseau la une a la participación activa de los ciudadanos como hacedores de las decisiones públicas, haciendo referencia obvia a las asambleas atenienses a las que confiesa admirar por su virtud.

En ensayo consta de cinco partes. En la primera, presentaremos al autor, sus influencias intelectuales y su obra republicana. En la segunda parte, haremos un breve análisis sobre la concepción de República para Rousseau. Luego, estudiaremos los principales elementos republicanos que aparecen en el pensamiento de Rousseau como son la soberanía, la ley, la libertad, la voluntad general, la igualdad, las virtudes cívicas: la educación, el patriotismo, y la religión civil. Al final del trabajo distinguiremos las instituciones republicanas planteadas por el autor y unas reflexiones a manera de conclusión.
