Mortal Fire (The Secret of the Journal) C F Dunn

“If I could say one thing...Read this!” – Colin Dexter. Emma, a young and self-contained professor of history, leaves Cambridge for a post in an exclusive university in the USA, intent on finding a long-overlooked 17th century journal. Bound within its pages are secrets that threaten to bring Emma into conflict with the present; but can she discover the truth - and will she believe it? “The sense of growing menace will have readers gripping the edge of their seats. A tense and accomplished debut blending romance with thriller.” – Fay Sampson, author of *The Hunted Hare* "An impressive debut for a promising new writer. One to watch." – Taylor Holden, author of *Waking Ned* and *The Sense of Paper* “I began *Mortal Fire* one winter evening, with a cup of hot chocolate near at hand. Within a few chapters the chocolate was ignored and had gone cold. C. F. Dunn’s vivid prose holds the reader's attention right to the riveting conclusion.” – Mel Starr, author of *The Unquiet Bones*
