Anna Solé Mena

Multilingües desde la cuna (Manuales) (Spanish Edition) Anna Solé Mena

El multilingüismo se ha hecho presente en la vida cotidiana de muchas familias. La movilidad humana característica de nuestro tiempo hace que cada vez haya más parejas lingüísticamente mixtas que, además, viven en contextos sociales en los cuales, la vida y las relaciones sociales más corrientes tienen lugar en otra lengua o en más de una, alguna de las cuales es diferente de las familiares. Desgraciadamente, estas parejas no suelen encontrar las orientaciones que necesitan sobre la educación lingüística de sus hijos. Este libro de Anna Solé quiere resolver este tipo de dudas, que fueron las de la misma autora, madre de niños educados en el multilingüismo.
