The Dragon of Trelian Michelle Knudsen

Calen, a lonely young mage-to-be, never dreamed that Princess Meglynne would become his friend. And impulsive Meg never imagined that secretly tending a baby dragon would make her “linked” to the winged beast—for life. Being attuned to a dragon’s thoughts and feelings is exciting but scary, especially when their destinies are tied (for better or worse). And now Meg’s sister is about to marry a prince to end a war between kingdoms, a celebration that only Meg and Calen know is endangered by a murderous plot. How can a girl, a boy, and a dragon possibly merge their magic and strength to bring down a powerful traitor before it’s too late? From the author of *Library Lion* comes a classic middle-grade fantasy soaring with sorcery and suspense, spunk and adventure, friendship and first romance, and a cast of truly enchanting characters.
