**What French Women Know: About Love, Sex, and Other Matters of the Heart and Mind** Debra Ollivier

**The *Los Angeles Times* bestseller! "A Gallic prescription for living a life that is richer, more sensual, messier, and a lot more fun" (*Boston Globe*)**

It's not the shoes, the scarves, or the lipstick that gives French women their allure. It's this: French women don't give a damn. They don't expect men to understand them. They don't care about being liked or being like everyone else. They accept the passage of time, celebrate the immediacy of pleasure, embrace ambiguity and imperfection, and prefer having a life to making a living.

In *What French Women Know*, Debra Ollivier goes beyond stale ooh- la-la stereotypes, challenging ingrained notions about sex, love, marriage, motherhood, and everything in between. With savvy, provocative thinking from French mistresses and maidens alike, Ollivier presents a refreshing counterpoint to the tired love dogma of our times, and offers realistic, liberating alternatives from the land that knows how to love.
