Contemporary American Foreign Policy: Influences, Challenges, and Opportunities Richard W. (Wallace) Mansbach, Kirsten L. (Lee) Taylor

Contemporary American Foreign Policy: Influences, Challenges, and Opportunities looks at today's most pressing foreign-policy challenges from a U.S. perspective, as well as from the vantage point of other states and peoples. It explores global issues such as human rights, climate change, poverty, nuclear arms proliferation, and economic collapse from multiple angles, not just through a so-called national interest lens. Authors **Richard Mansbach** and **Kirsten L. Taylor** shed new light on the competing forces that influence foreign-policy decision making, outline the various policy options available to decision makers, and explore the potential consequences of those policies, all to fully grasp and work to meet contemporary foreign-policy challenges.
