Cry Father

Benjamin Whitmer

Cry Father Benjamin Whitmer

The second novel from the critically acclaimed writer of *Pike*, which was nominated for France's prestigious Grand Prix de Littérature Policière crime fiction award and "easily rivals Larry Brown's most renowned novels" (*Spinetinger Magazine*). In the tradition of Cormac McCarthy and Larry Brown comes a haunting story about men, their fathers, their sons, and the legacy of violence.

For Patterson Wells, disaster is the norm. Working alongside dangerous, desperate, itinerant men as a tree clearer in disaster zones, he's still dealing with the loss of his young son. Writing letters to the boy offers some solace. The bottle gives more.

Upon a return trip to Colorado, Patterson stops to go fishing with an old acquaintance, only to find him in a meth-induced delirium and keeping a woman tied up in the bathtub. In the ensuing chain of events, which will test not only his future but his past, Patterson tries to do the right thing. Still, in the lives of those he knows, violence and justice have made of each other strange, intoxicating bedfellows.

Hailed as "the next great American writer" (Frank Bill, author of *Crimes in Southern Indiana*), Benjamin Whitmer has crafted a literary triumph that is by turns harrowing, darkly comic, and wise.

From reader reviews:

Bobby Hanke:

The book Cry Father can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the good thing like a book Cry Father? A few of you have a different opinion about publication. But one aim that will book can give many details for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or information that you take for that, you are able to give for each other; it is possible to share all of these. Book Cry Father has simple shape nevertheless, you know: it has great and big function for you. You can appearance the enormous world by open and read a publication. So it is very wonderful.

Keith Dunn:

Reading a guide tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this Cry Father.

Shane Hamilton:

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to use the book everywhere? It ok you can have the e-book, having everywhere you want in your Smart phone. Like Cry Father which is having the e-book version. So , try out this book? Let's see.

James Sweeney:

A number of people said that they feel weary when they reading a reserve. They are directly felt it when they get a half elements of the book. You can choose the book Cry Father to make your own personal reading is interesting. Your own skill of reading ability is developing when you such as reading. Try to choose straightforward book to make you enjoy to learn it and mingle the impression about book and reading through especially. It is to be very first opinion for you to like to wide open a book and examine it. Beside that the reserve Cry Father can to be your new friend when you're truly feel alone and confuse with what must you're doing of this time.
