French Seaside Style Sebastien Siraudeau

The fourth title in a successful series, this new book celebrates the enduring popularity of nautically inspired interiors, with a French twist. Azure blue skies and sparkling waves on the horizon are the perfect counterpoints to the bright and cheery interiors inspired by life at the seaside. Sun-drenched terraces are accessorized with nautical details including smooth bits of sea glass, rows of sand dollars, and miniature sailboats on the windowsill. Driftwood centerpieces remind us of the beauty and simplicity of nature. A collection of oars propped in a corner forms a rustic sculpture, and the wide stripes of the lounge chairs beckon, evoking the laid-back allure of warm weather. Stepping inside, the rooms are equally inviting with earth tones and bright touches, accessorized with the classically popular icons—anchors, buoys, lighthouses, seashells—that carry the theme throughout the home. Natural wood finishes set the tone and are the perfect complement to canvas-inspired upholstery and crisp linens in the fresh colors of summertime. Miniature vials of sand, each labeled with the date and location where they were collected, bring back memories of carefree holidays spent by the sea, while frosty gem-colored goblets cool us down even before the first sip of mint julep. The overall sense of these interiors creates a relaxed sense of well-being that feeds the soul. These interiors are brimming with inspiration for how to bring serenity and joy into any home.
