Lens on Syria Daniel Demeter

Between 2006 and 2009, the talented young American photographer Daniel Demeter traveled broadly throughout Syria, amassing nearly 30,000 photographs of the country. *Lens on Syria* presents the very best of that collection. It offers a remarkable glimpse into the lives and landscapes of pre-war Syria, serving as an evocative reminder of the country's long history, rich heritage, and diverse culture, so much of which has been threatened or destroyed completely since 2009. By sharing more than 400 of his stunning images—of Syria's warm and kindhearted people, vibrant markets, exciting landscapes, archaeological sites, historic monuments, and religious architecture—Demeter gives readers a powerful experience of the beauty of a Syria that has seen, tragically, far too much destruction. *Lens on Syria*'s high-resolution images are printed on high quality paper stock with detailed captions. Its seven chapters traverse all of Syria's major cities and historic sites along with many of the country's more remote and hidden treasures.

From reader reviews:

Roberto Reyes:

What do you concentrate on book? It is just for students as they are still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that issue above. Every person has distinct personality and hobby for each and every other. Don't to be obligated someone or something that they don't would like do that. You must know how great and important the book Lens on Syria. All type of book would you see on many sources. You can look for the internet resources or other social media.

Sophia Hardee:

The reason? Because this Lens on Syria is an unordinary book that the inside of the book waiting for you to snap it but latter it will jolt you with the secret it inside. Reading this book adjacent to it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I were you I will go to the guide store hurriedly.

Katherine Velasquez:

Many people spending their time by playing outside using friends, fun activity along with family or just watching TV the whole day. You can have new activity to shell out your whole day by studying a book. Ugh, you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, taking everywhere you want in your Smartphone. Like Lens on Syria which is keeping the e-book version. So , try out this book? Let's notice.

Jillian Harrington:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Lens on Syria can make you experience more interested to read.
