After gaining the attention, and becoming owned, by the enigmatic DL she moves into his world as his full-time slave. Her desires start to alter...how she perceives herself changes in ways that shock her...and brings a new dimension to their relationship. Their world is one of control and submission...and is soon rocked to its very foundations by the happenings at Der Unterworld. Christopher was the trusted heir to the Empire, groomed by DL himself to take the reins and drive the business forward. Little did anyone know that he would soon become crazed by the power he had over those around him...and seek to take Der Unterworld into the darkest recesses of the human psyche and sexual demands. He creates a world where no excess is too far...no desire cannot be catered for...using the disposable people around him to make obscene wishes come true. Something like this could not stay secret for long, and as his plans are revealed to DL by his own lady Christopher launches into action to take a terrible revenge. Thrown into an investigation through chance Detective Sergeant Josey Bailey soon finds herself out of her depth. She has never experienced what it means to allow desires to take over...to explore her sexuality in so many ways...and when she moves into the world of DL and Nicole she finds that these people will corrupt her totally. She is torn between the new sensations she discovers and finding the person responsible for the hideous murders happening around her...can she stop them before more lives are claimed...and she descends into total erotic abandonment?
