## **The Dangerous Animals Club** Stephen Tobolowsky

From legendary character actor Stephen Tobolowsky, comes a collection of memoiristic pieces about life, love, acting, and adventure, told with a beguiling voice and an uncommon talent for storytelling.

*The Dangerous Animals Club* by Stephen Tobolowsky is a series of stories that form a non-linear autobiography. Each story stands on its own, and yet there are larger interconnecting narratives that weave together from the book's beginning to end. The stories have heroics and embarrassments, riotous humor and pathos, characters that range from Bubbles the Pigmy Hippo to Stephen's unforgettable mother, and scenes that include coke-fueled parties, Hollywood sets, French trains, and hospital rooms.

Told in a vivid, honest, and wondrous voice, Tobolowsky manages to render the majestic out of the seemingly mundane, profundity from the patently absurd, and grace from tragedy. This book marks the debut of a massively talented storyteller.
