For elementary classroom, living room or stage, historic : "Aesop's Fables" (some run 3 minutes), "Androcles and the Lion", and "The Origin of Easter Eggs" explore virtues and vices with high action and humor. If they are to enjoy safety, a fine life, and be taken seriously by others, children must learn to express themselves. When we act, body, voice and imagination work together; we concentrate and become effective in what we say. Theatre is a natural environment for children to develop expressive skills, overriding cyber addiction by acting out a live story and announcing "Come see our play!"
