To Have a Human

Carey Gale always knew about shifters. It was difficult not to know when your best friends could turn into some of the deadliest beasts. When he gets a daytime job to support his band working at a shifter owned business, he doesn't expect to fall hopelessly in lust with Broden Lyall, the company's alpha. Sadly, Broden thinks little of humans. He considers them helpless and weak. But when hunters come after Carey's friends, Broden learns that not all humans are alike, and he will do anything to have one slim, blond human.

To Catch a Croc

For as long as he could remember Denton Stills has followed his friend Carey around. When Carey gets a mate Denton starts to consider maybe it is time for him to find his forever man. However the only one sniffing around is an obnoxious puma who seems to think Denton is as good as his. When saltwater crocodile shifters try to move into Denton's territory he takes a page from Carey's father "protect those you love, annihilate everyone else." Will Denton be able to hold back a shifter invasion with his friends or will he have to ask for help from the one man who makes him think happily ever after might be possible?

To Enchant an Eagle

Eaton Franks has had his eye on Marty, the leader of the hawks, for a long time. After he rescues the bad boy, things take a tragic turn and it looks as if the gang leader might never fly again. When Eaton has the chance to use a sorcerer to fix the love of his life, little does he know it will lead to his own abduction.

Marty is beside himself when his eagle shifter is stolen. He knows they are mates and he's willing to do anything to get him back. However, now he has to decide if he is willing to give up his hawk half in order to save his eagle. Sometimes love makes a man do crazy things..

To Bite a Bear.

Harris Bender had a crush on vampire leader Rohan, so when the alpha male requests him to paint a mural, he can only say yes. However, after a passionate encounter, Harris discovered Rohan is his mate. Is the carefree artist ready to settle down with one man even if he's extremely hot?.

Rohan had been looking for his blood bonded for centuries. One taste of the bear shifter's blood and he knows he's found the one. However, outside forces threaten to tear the couple apart. It will take more than a flash of fang to put them in their place..

To Kiss a Killer.

Aden Gale has always protected the boys he chose as his. Gallen Theos refuses to become another one of Aden's projects. He might have been bespelled by his father but he was Aden's mate and he refused to take anything less than a full partnership. If the cool-eyed killer thought he could wiggle away for Gallen's own safety, well he had a lot to learn about the tenacity of sorcerers..
