Business Torts and Unfair Competition Handbook Section members from the ABA Section of Antitrust This book first addresses substantive issues, beginning with the changing role of business torts in antitrust litigation and continuing with the extent to which antitrust concepts have been invoked in business tort litigation (focusing on the competitive privilege and the Noerr-Pennington defense). The next chapter surveys the field of unfair competition, followed by an examination of the business torts of commercial disparagement and defamation. Subsequent chapters address interference torts, the common law and statutory torts of fraud and negligent misrepresentation, the field of misappropriation of trade secrets, and recent developments in the area of punitive damages.
