Eleventh Hour Network+: Exam N10-004 Study Guide Naomi Alpern

Eleventh Hour Security+: Exam SY0-201 Study Guide offers a practical guide for those preparing for the CompTIA Network+ exam.

The book's 10 chapters provide in-depth discussions of the following topics: network fundamentals; network media; network devices; wireless networking; open systems interconnection (OSI) model and networking protocols; transmission control protocol/internet protocol (TCP/IP) and IP routing; wide area networking; hardware and software security; network management; and network troubleshooting.

Each chapter includes information on exam objectives, exam warnings, and the top five toughest questions along with their answers.

- The only book keyed to the new 2009 objectives that has been crafted for last minute cramming
- Easy to find, essential material with no fluff – this book does not talk about security in general, just how it applies to the test
- Includes review of five toughest questions by topic - sure to improve your score
