From Seed to Skillet: A Guide to Growing, Tending, Harvesting, and Cooking Up Fresh, Healthy Food to Share with People You Love Susan Heeger, Jimmy Williams

Jimmy Williams learned all about vegetable gardening at the knee of his grandmother, a South Carolina native from a traditional Gullah community whose members were descendents of Caribbean slaves. He pays homage to his family history in this inspiring step-by-step guide to designing and planting a backyard vegetable garden and growing one's own food. With this essential garden manual, home gardeners can learn how easy it is to plan a garden, design and construct growing beds, tend the crop without using harmful chemicals, harvest gorgeous vegetables, and cook a delicious feast using Jimmy's favorite family recipes.
