Hummingbird Nathan L. Flamank

From the amazon best-selling author of 'Second Chance' 'In Amongst The Shadows' & 'Phantoms' comes a blistering erotic thriller. HUMMINGBIRD - her submission is his salvation. The Fat Man rules the City. He controls its darkest depths with cruelty and power. Nothing happens in the City without the Fat Man's consent. Jack Torrence is the Fat Man's number one enforcer, an ex-Ranger with nothing to live for. Selena Boyd is beautiful and intelligent, struggling to make a success of her business and unfortunately in to the Fat Man for a lot of money. Just when Selena thinks that the Fat Man has her where he has always wanted her Jack makes her an offer, one that Selena can't refuse, an offer that will change her life forever. A stranger has come to the City, a stranger out for revenge, and the violence threatens to consume them all. With time running out Selena must make a decision: to save her life is she willing to give up her soul?

From reader reviews:

David Ashworth:

Information is provisions for people to get better life, information these days can get by anyone in everywhere. The information can be a understanding or any news even an issue. What people must be consider whenever those information which is in the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you get it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Hummingbird as the daily resource information.

Dennis Simpson:

People live in this new day of lifestyle always try and and must have the spare time or they will get great deal of stress from both lifestyle and work. So , if we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then ever try this one, reading publications. It can be your alternative throughout spending your spare time, the book you have read is actually Hummingbird.

Alberto Benson:

Reading a book for being new life style in this 12 months; every people loves to study a book. When you study a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, as well as soon. The Hummingbird offer you a new experience in looking at a book.

Patricia Gagliano:

A lot of book has printed but it takes a different approach. You can get it by world wide web on social media. You can choose the best book for you, science, comedy, novel, or whatever by simply searching from it. It is named of book Hummingbird. You can include your knowledge by it. Without making the printed book, it may add your knowledge and make you actually happier to read. It is most essential that, you must aware about e-book. It can bring you from one spot to other place.
