Britain BC: Life in Britain and Ireland Before the Romans (Text Only) Francis Pryor

An authoritative and radical rethinking of the history of Ancient Britain and Ancient Ireland, based on remarkable new archaeological finds.

British history is traditionally regarded as having started with the Roman Conquest. But this is to ignore half a million years of prehistory that still exert a profound influence. Here Francis Pryor examines the great ceremonial landscapes of Ancient Britain and Ireland – Stonehenge, Seahenge, Avebury and the Bend of the Boyne – as well as the discarded artefacts of day-to-day life, to create an astonishing portrait of our ancestors.

This major re-evaluation of pre-Roman Britain, made possible in part by aerial photography and coastal erosion, reveals a much more sophisticated life in Ancient Britain and Ireland than has previously been supposed.

This edition does not include illustrations.
