Bullying: Always Cruel, Sometimes Tragic The New York Times

The old saying that “sticks and stones may break my bones but words will never harm me” is cold comfort to children and teenagers who have been tormented or picked on by their peers. In recent years, the problem has escalated, as bullies now hide behind the anonymity of social media and texting. Of course, bullying doesn’t only affect kids; adults can also be targeted, especially in the workplace. Bullying can take many forms: name-calling, spreading rumors, making threats, ostracism or physical violence. And it occurs for any number of reasons, including race, gender, religious affiliation, sexual orientation or physical appearance.

This e-single, a selection of news stories and opinion pieces from The New York Times, offers a broad picture of the issue, told from many perspectives. In one very personal account called “The Bleakness of the Bullied” (Oct. 15, 2011), Times columnist Charles M. Blow wrote of his own painful experience being bullied as a child: “Bullying isn’t just a harmless game. It can be a deadly one, and we need to be reminded of that constantly. You never know how your words are affecting another person.”

So now let us teach you the relaxing pattern is your body and mind will probably be pleased when you are finished studying it, like winning a sport. Do you want to try this extraordinary investing spare time activity?

Marc Dean:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this *Bullying: Always Cruel, Sometimes Tragic* can make you

experience more interested to read.
