Interior Designing for All Five Senses Catherine Bailly Dunne

Using beautiful color photographs of the interiors of exceptional homes across the country that look good and feel right, Catherine Bailly Dunne demonstrates creative and easy ways to decorate for all five senses in our own homes. According to Dunne, a truly integrated home engages every sense. Stressing that interior design is more than a superficial concern, that it can help you "design your life," Dunne connects with a generation that yearns to understand the emotional needs of a healthy family and passionately believes that the home is a mirror of the soul. She enthusiastically teaches how anyone can decorate a home to celebrate a family's creativity and passion for life.
