Preservation and Purpose: The Making of a Young Millennial, A Manifesto for Faith, Family and Politics Demetrius Minor

Preservation and Purpose is already endorsed by nationally renowned political pundits, candidates, best-selling authors and journalists, including Lt. Col. Allen B. West, Monica Crowley, Dr. Alveda C. King and Michelle Malkin. In this, the first of many books to come, Demetrius Minor lends a strong and independent voice to his Millennial Generation, as a self-imposed catalyst, poised to help steer America back toward a path where traditional values play an increasingly important role for future generations. Using his own dynamic personal history as an example, Minor introduces the making of a young millennial and proves the person, not the circumstance, paves the way for individual preservation. An impassioned manifesto follows, and dives into the sensitive but crucial issues of faith, family and politics, laying the foundation for individual purpose—the greater good.
