Religion, Culture & Society: A Global Approach

Andrew Singleton

Religion, Culture & Society: A Global Approach Andrew Singleton

"The reader is taken on a global exploration of the forms and diversities of religions and their social and cultural contexts... It is up to the minute in research and theory, and comfortably grounded in the traditions of the social explanation of things religious and spiritual."

- *Gary Bouma AM, Monash University*

"Tells how sociology of religion originated in the work of key nineteenth and twentieth century theorists and then brings the story into the present era of globalization, hybrid spirituality, and the Internet. Students of religion will find this an engaging and informative survey of the field."

- *Robert Wuthnow, Princeton University*

"It considers the 'big questions' - What is religion? How is religion changing in a modern world? What is the future of religion? – and addresses them through tangible case studies and observations of contemporary life. Its global perspective reflects the breadth, diversity and vibrancy of this field."

- *Sylvia Collins-Mayo, Kingston University*

This is a rich and dynamic introduction to the varieties of religious life and the central issues in the sociology of religion today. It leads the reader through the key ideas and main debates within the field as well as offering in-depth descriptions and analysis of topics such as secularization, fundamentalism, Pentecostal Christianity, Buddhism, Hinduism, Islam, atheism, 'The spiritual marketplace', digital religion and new religions like Wicca.

Emphasising religion as a global phenomenon, examining especially the ways in which globalization has had an impact on everyday religious life, Singleton has created an illuminating text suitable for students in a wide range of courses looking at religion as a social and cultural phenomenon.

From reader reviews:

Aaron Mullen:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want attract knowledge just go with education and learning books but if you want feel happy read one with theme for entertaining like comic or novel. The actual Religion, Culture & Society: A Global Approach is kind of guide which is giving the reader unpredictable experience.

Larry Brackett:

This Religion, Culture & Society: A Global Approach is great book for you because the content which can be full of information for you who always deal with world and also have to make decision every minute. That book reveal it facts accurately using great organize word or we can point out no rambling sentences in it. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but hard core information with wonderful delivering sentences. Having Religion, Culture & Society: A Global Approach in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen tiny right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. occupied do you still doubt that will?

Patricia Gallagher:

Many people spending their time frame by playing outside with friends, fun activity along with family or just watching TV all day every day. You can have new activity to pay your whole day by studying a book. Ugh, you think reading a book really can hard because you have to bring the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like Religion, Culture & Society: A Global Approach which is obtaining the e-book version. So , try out this book? Let's observe.

Mattie Regan:

That e-book can make you to feel relax. This kind of book Religion, Culture & Society: A Global Approach was bright colored and of course has pictures on there. As we know that book Religion, Culture & Society: A Global Approach has many kinds or style. Start from kids until teenagers. For example Naruto or Investigator Conan you can read and feel that you are the character on there. So , not at all of book are make you bored, any it offers up you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading this.
