Experience the Complete Freedom God Originally Planned for You—Body, Mind, and Spirit

Do you feel like depression, anxiety, or addiction have hijacked your life? Mental and emotional disorders impact every part of society—and disrupt life for even the most spiritually devout, intelligent and respected people. Unfortunately, many who suffer from these devastating disorders seek healing through costly, and sometimes harmful, counseling and medications—measures which may bring temporary relief but do not fully correct the underlying problem.

Jacquelyn Sheppard exposes the vital connection between your body, mind, and spirit—and gives you practical tools to:

- understand the connection between your mind and body and discover root causes for such illnesses as depression, addiction, bipolar disorder, OCD, and others.
- identify the life cycles of each disorder —prenatal, childhood, adolescence and adulthood— so you can overcome each cycle using the right tools.
- gain practical “know-how” to effectively combat these disorders through life-giving steps of health transformation.

Reclaim your emotional and mental wellbeing! *Silent Takeover* delivers ancient wisdom, accessible science, simple nutrition, and life experience while providing a clear blueprint to help you pioneer a new life pathway.

Don't let your past determine your future—change is possible!
