## **The Wonders of the Invisible World (Vintage Contemporaries)** David Gates

The author of the highly acclaimed novels **Jernigan** (Pulitzer Prize Finalist) and **Preston Falls** (National Book Critics Circle Award Finalist) offers up a mordantly funny collection of short stories about the faulty bargains we make with ourselves to continue the high-wire act of living meaningful lives in late twentieth-century America.

Populated by highly educated men and women in combat with one another, with substance abuse, and above all with their own relentless self-awareness, the stories in **The Wonders of the Invisible World** take place in and around New York City, and put urbanism into uneasy conflict with a fleeting dream of rural happiness. Written with style and ferocious black humor, they confirm David Gates as one of the best-and funniest-writers of our time.
