## A Very Private Gentleman: A Novel Martin Booth

The locals in the southern Italian town where he lives call him Signor Farfalla--Mr. Butterfly: for he is a discreet gentleman who paints rare butterflies. His life is inconspicuous--mornings spent brushing at a canvas, afternoons idling in the cafes, and evening talks with his friend the town priest over a glass of brandy.

Yet there are other sides to this gentleman's life: Clara: the young student who moonlights in the town bordello. And another woman who arrives with \$100,000 and a commission, but not for a painting of butterflies.

With this assignment returns the dark fear that has dogged Signor Farfalla's mysterious life. Almost instantly, he senses a deadly circle closing in on him, one which he may or may not elude. Part thriller, part character study, part drama of deceit and self-betrayal, *A Very Private Gentleman* shows Martin Booth at the very height of his powers
