Civic Discourse, Civil Society, and Chinese Communities (Perspectives on Writing)

Civic Discourse, Civil Society, and Chinese Communities (Perspectives on Writing)

The purpose of this volume is to bring together a set of chapters that investigate the communication practices through which Chinese societies are creating their civil foundations for the next millennium. *Civic Discourse, Civil Society, and Chinese Communities*, reflects both the emphasis on analysing specific discursive practices in particular Chinese societies and on understanding the role that discursive practices play in the development of civil society more generally.
