Further Confessions of a GP (The Confessions Series) Benjamin Daniels

Benjamin Daniels is back. He may be older, wiser and more experienced, but his patients are no less outrageous.

Drawing on his time working as a medical student, a locum, and a general practitioner, Dr Daniels would like to introduce you to ...

The old age pensioner who can't keep his hands to himself.

The teenager convinced that he lost his virginity and caught HIV sometime between leaving a bar and waking up in a kebab shop.

A female patient Dr Daniels recognises from his younger, bachelor years.

The woman whose mobile phone turns up in an unexpected place.

A Jack Russell with a bizarre foot fetish.

Crackhead Kenny.

Not to mention the super nurses, anxious parents, hypochondriacs, jumpy medical students and kaleidoscope of care workers that make up Dr Daniels' daily shift.

Further Confessions of a GP is the eagerly anticipated follow-up to the bestselling Confessions of a GP. With more eyebrow-raising stories from the world of general practice, Dr Daniels will once again amuse, shock and surprise.

You'll never feel the same about going to the doctor again...

Gloria Engstrom:

Reading a book to get new life style in this 12 months; every people loves to go through a book. When you examine a book you can get a lots of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you want to get information about your study, you can read education books, but if you want to entertain yourself look for a fiction books, these us novel, comics, and also soon. The Further Confessions of a GP (The Confessions Series) will give you new experience in looking at a book.

Frank Foushee:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Further Confessions of a GP (The Confessions Series) can make you sense more interested to read.
