**Saccargia (Sardegna medievale) (Italian Edition)** Fernanda Poli

Il libro fornisce una dettagliata descrizione della struttura architettonica e delle diverse fasi costruttive del complesso monastico. Particolare attenzione è dedicata al ciclo pittorico, alla disamina delle sculture architettoniche del portico e di quelle erratiche poste all'interno della chiesa, con particolare riferimento ai capitelli binati provenienti dal chiostro. Infine, completa l'opera una lettura accurata sotto il profilo stilistico e iconografico dei Retabli, già appartenenti alla Basilica e attualmente conservati al Ce. Do. C. di Codrongianos.
