## **Women's Intuition: Unlocking the Wisdom of the Body** Paula M. Reeves

Women's intuition is real, says Paula Reeves. Encoded in a woman's DNA, this subtle yet potent source of knowledge has been doubted and dismissed as an old wives' tale. Because social conditioning and male-dominated culture have caused women to feel disconnected from their own bodies, Dr. Reeves believes that most women are unaware of what their intuition is trying to tell them.

In *Women's Intuition*, Dr. Reeves guides readers to remove the blocks preventing this channel of knowledge from informing and enriching their daily lives. By evoking body-based intuition, readers can reestablish their body-mind bond and access their intuitive power for healing and insight.
