Amphibians' End: A Kulipari Novel Trevor Pryce, Joel Naftali

In this dramatic finale to the Kulipari series, the future of the Amphibilands looks bleak. With the scorpion lord Marmoo stronger than ever and still maniacally bent on taking over the outback, Darel can't fathom why the Rainbow Serpent wants him to lower the Veil, the Amphibilands' only source of protection. But the Serpent's message is clear, and in preparation for the inevitable battle, Darel and the Kulipari go out in search of someone, anyone, to fight on their side. Without strong allies, and without the Veil, the Amphibilands quickly fall to the scorpion lord, and the frogs and their friends are cast into the outback in search of water and a new home. The frogs must start over—this time, in an inclusive community where “it takes all kinds” to survive.

Author and former NFL player Trevor Pryce and acclaimed comics artist Sanford Greene pack this third installment with nonstop action, unexpected twists and turns, and rich, full-color illustrations.
