Bank Robber Extraordinaire *The True Story of the Boonie Hat Bandit* St. Louis, Missouri is gripped by a rapid series of twelve bank robberies that leave local and federal authorities completely baffled. Dubbed the '**Boonie Hat Bandit**' by the fascinated public, this infamous criminal methodically robs banks in broad daylight leaving no clues, causing everyone to wonder, *Who is this man?* Law enforcement is scrambling, and the robberies make national news.

In September 2008, the gentleman bandit is apprehended and the stunned world finds out his shocking identity: **Donald Keith Giammanco**, a quiet, middle-class, single father of twin daughters. The big mystery remains: How and why would he enter a life of crime? In spite of repeated requests to tell his story, Keith Giammanco refuses to give any insight into his motivations for years---not, that is, until now.

Written by the woman he falls in love with while in prison, Bank Notes delves into the thoughts and motivations of a notorious bank robber who is anything but the typical criminal, and the disastrous results of his robbery spree.
