Rasgar el velo de la dualidad (NUEVA CONSCIENCIA) (Spanish Edition) Andreas Moritz

En Rasgar el velo de la dualidad, Andreas Moritz expone de manera clara y conmovedora la ilusión de la dualidad —lo bueno y lo malo, lo correcto y lo erróneo, lo claro y lo oscuro— mientras ofrece un método para acabar con todas las limitaciones que nos hemos impuesto a lo largo de una vida ceñida a una conciencia dual. Gracias a este libro, se abre una nueva perspectiva para la humanidad: la perspectiva de la claridad, el discernimiento y la ausencia de cualquier condena. A partir de una comprensión integral, descubriremos que la ignorancia, el sufrimiento, los accidentes, la injusticia, la violencia y el terrorismo cobran un objetivo y un significado más profundos. Desde esta visión global, el autor nos muestra cómo crear y dominar la capacidad de materializar los propios deseos, y nos invita a explorar el misterio del tiempo, la verdad y la ilusión de la reencarnación, las ciencias antiguas, el poder engañoso de las falsas creencias y el motivo del fracaso tan frecuente en las relaciones de pareja. Y va aún más allá, al explicar cómo identificar a los ángeles que viven entre nosotros, a descubrir nuestros cuerpos etéreos y a desarrollar nuestra capacidad innata de autocuración.
