**The Harlem Hellfighters** Max Brooks

**From bestselling author Max Brooks, the riveting story of the highly decorated, barrier-breaking, historic black regiment—the Harlem Hellfighters**

THE HARLEM HELLFIGHTERS is a fictionalized account of the 369th Infantry Regiment—the first African American regiment mustered to fight in World War I. From the enlistment lines in Harlem to the training camp at Spartanburg, South Carolina, to the trenches in France, bestselling author Max Brooks tells the thrilling story of the heroic journey that these soldiers undertook for a chance to fight for America. Despite extraordinary struggles and discrimination, the 369th became one of the most successful—and least celebrated—regiments of the war. The Harlem Hellfighters, as their enemies named them, spent longer than any other American unit in combat and displayed extraordinary valor on the battlefield. Based on true events and featuring artwork from acclaimed illustrator Caanan White, these pages deliver an action-packed and powerful story of courage, honor, and heart.

### From reader reviews:

#### **Helen Perez:**

Reading a guide tends to be new life style with this era globalization. With studying you can get a lot of information that will give you benefit in your life. Having book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or their experience. Not only the storyplot that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this The Harlem Hellfighters.

#### **Roberta Granger:**

So , when we ask do people have extra time, we will say absolutely indeed. People is human not a robot. Then we ask again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading guides. It can be your alternative with spending your spare time, the particular book you have read is The Harlem Hellfighters.

#### **Irene Allen:**

Playing with family within a park, coming to see the coastal world or hanging out with good friends is thing that usually you will have done when you have spare time, and then why you don't try thing that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Harlem Hellfighters, you may enjoy both. It is very good combination right, you still wish to miss it? What kind of hang type is it? Oh can occur its mind hangout fellas. What? Still don't buy it, oh come on its known as reading friends.

#### **Frank Godwin:**

Does one one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Attempt to pick one book that you find out the inside because don't determine book by its include may doesn't work here is difficult job because you are frightened that the inside maybe not while fantastic as in the outside search likes. Maybe you answer is usually The Harlem Hellfighters why because the amazing cover that make you consider concerning the content will not disappont you actually. The inside or content is definitely fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.
