A delightful, wonderfully illustrated story about life and how "Meerkats and mangoes and chickadees too, gorillas and geckos, even Stephens and Sues came to be created by God "A magical cook, who whips up creations he finds in a book."

With the comfort of Seuss-like rhyming and the whimsical analogy of God as a cook, this book celebrates the diversity of life on earth and the inter-relatedness of all living things.

In God's Kitchen is a charming, visually rich story that both children and parents will enjoy reading over and over again. Made in the USA.
