Dead Man's Quarry: A Golden Age Mystery Ianthe Jerrold, Curtis Evans

Description "the murderer was also riding a bicycle... why, if we can trace it, we shall have the murderer!" On a cycling holiday in the idyllic Wales-Herefordshire border countryside, Nora and her friends make a gruesome discovery - the body of their missing comrade at the bottom of a quarry. But an apparently accidental fall turns out to have been murder - for the man was shot in the head. Fortunately John Christmas, last seen in *The Studio Crime* (1929), is on hand with his redoubtable forensic assistant, Sydenham Rampson. Between them they shed light on an intricate pattern of crimes... and uncover a most formidable foe. *Dead Man's Quarry* is the second of Ianthe Jerrold's classic and influential whodunits, originally published in 1930. This edition, the first for more than eighty years, features a new introduction by crime fiction historian Curtis Evans.
