Don't Worry About the Kids

Jay Neugeboren

Don't Worry About the Kids Jay Neugeboren

Although the voices and settings of these tales are diverse, their central concerns remain constant.

Neugeboren explores the precarious nature of family life and those elements--madness, betrayal, loss--that often shape and threaten it. He writes about the mysterious, sad, surprising, and sometimes beautiful ways in which love expresses itself. He reveals how our choices, large and small, inform and define our lives.

Whether writing about a black American musician in Paris or a documentary filmmaker in Maine, about a boy grieving for the death of his father or parents for the loss of their children, about divorce or city life or basketball or mental illness, Neugeboren brings to his craft a profound knowledge of the heart's imperatives. This volume is the mature, seasoned work of one of our finest writers.
