If It's Not Close, They Can't Cheat: Crushing the Democrats in Every Election and Why Your Life Depends on It Hugh Hewitt

This is a book about winning elections in an age when security has trumped almost every other issue and the technology of political effectiveness is evolving with lightning quickness. Hewitt offers real-world tactics for individuals who (1) care about the future of the United States and (2) want to work effectively to help elect candidates who will lead the country-on a national or local level-in the right direction.

In this book, Hugh Hewitt does more than rehash conservative grievances, preach to the choir, or even preach to the choir plus the undecideds. He aims to change the behavior of the choir, one reader at a time. Hewitt includes material targeted to people of faith when appropriate and appeals to all readers who consider themselves conservative or center-right. Material has been updated to cover current events in 2006.
