She's having a baby

It's a blessing that brings comfort to newly widowed Olivia Cline. Yet with no insurance, no job and precious little money, how will Olivia care for herself and her child?

The answer is a handsome and brooding artist seeking an assistant. Reed Vincent has recently regained his eyesight, thanks to a donor. And through his eyes, Olivia begins to see all the possibilities before her. Before them. Until, in a flash of insight, she knows why his signature is so hauntingly familiar....

The revelation could tear the couple apart...or open their eyes to a new journey from sorrow to joy.
