Keith and Jazmine Carter are living the dream! Their fitness center is a huge success and life is good for them in the heart of Atlanta. But for Jazmine, something just isn't quite right; she is plagued with dreams of running through darkness and steam and experiencing horrible chest pains. Are the dreams simple symptoms of an overworked body and mind or do they have a far more ominous meaning?? Men are dying at the Black Onyx Gym and Fitness Center! Sudden death by heart attack seems to be the name of the game. However, it just doesn't fit and Jazmine's crazy dreams are somehow related. As she learns of a special psychic 'gift' she has inherited from her mother's side of the family, Detectives Ersula Hernandez and Nicholas Harris try to put together the pieces of the deadly puzzle before it's too late. Something or someone is killing these men and it is far from natural causes? Keith and Jazzy are taken on a wild and scary ride when love goes wrong for one of the gym's employees and obsession rules the day. Can Jazzy's visions stop another man from losing his life? As all are soon to learn; you never know what may be lurking in the haze and swirl of steam at Black's?
