Bike Battles: A History of Sharing the American Road James Longhurst

Americans have been riding bikes for more than a century now. So why are most American cities still so ill-prepared to handle cyclists? James Longhurst, a historian and avid cyclist, tackles that question by tracing the contentious debates between American bike riders, motorists, and pedestrians over the shared road. *Bike Battles* explores the different ways that Americans have thought about the bicycle through popular songs, merit badge pamphlets, advertising, films, newspapers and sitcoms. Those associations shaped the actions of government and the courts when they intervened in bike policy through lawsuits, traffic control, road building, taxation, rationing, import tariffs, safety education and bike lanes from the 1870s to the 1970s. Today, cycling in American urban centers remains a challenge as city planners, political pundits, and residents continue to argue over bike lanes, bike-share programs, law enforcement, sustainability, and public safety. Combining fascinating new research from a wide range of sources with a true passion for the topic, Longhurst shows us that these battles are nothing new; in fact they're simply a continuation of the original battle over who is - and isn't - welcome on our roads.

David Barthel:

Many people spending their period by playing outside with friends, fun activity having family or just watching TV all day every day. You can have new activity to shell out your whole day by reading through a book. Ugh, think reading a book can really hard because you have to accept the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smart phone. Like Bike Battles: A History of Sharing the American Road which is having the e-book version. So , why not try out this book? Let's find.

Mary May:

As a pupil exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Bike Battles: A History of Sharing the American Road can make you feel more interested to read.
