Introducing next-generation trail guides for the Northwest. We asked hikers what they want in a trail guide today and this is what they said: more day hikes, with options for extending the trip; hike selection conveniently arranged by highway and travel corridors; more hikes close to urban centers; more year-round hikes at low elevation; clear driving directions; a portable size; and more use of color.

To meet the needs of the modern hiker, The Mountaineers Books introduces its new Day Hiking guidebook series, written by Northwest residents with impressive hiking resumes. These guides provide accurate information in attractive, high-quality packaging and are infused with the environmental ethic that distinguishes The Mountaineers Books from other outdoor publishers.
