What is Creative Writing? Millions of people do it, but how do we do it, really? What evidence of its human undertaking does Creative Writing produce? How do we explore Creative Writing, as both an art form and a mode of communication? How do we come to understand Creative Writing, creatively and critically? Posing questions about the nature of Creative Writing, *On Creative Writing* asks us to consider what Creative Writing actually is, and in doing so encourages us to reflect on how our knowledge of Creative Writing can be increased. Emphasizing Creative Writing as an act and actions, *On Creative Writing* considers what lies at the core of the activity called Creative Writing.

Lucy Carson:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this On Creative Writing (New Writing Viewpoints) can make you feel more interested to read.
